Get dispatched TODAY with no experience. This free starter version gives you the exact 6 AM script, the what-to-bring checklist, and the daily-pay strategy. The full \$19 pack adds the no-experience resume template, 30 Texas staffing addresses across Houston, Dallas, Austin, and El Paso, and the \$150 cash same-day moving jobs guide.

1. The 6 AM Dispatch Script (Say This Word-for-Word)

Walk in at 5:30-6 AM and say EXACTLY this:

"Good morning. I'm available for daily pay today. I can stay late, I have steel toe boots and 2 IDs, and I can start now. I have no restrictions. Do you have anything for me today?"

If they say no:

"Can I wait? I'm available all day. And can you put me on call for same day cancellations?"

Then:

"What's the best time to come back tomorrow? And can I leave my number for today?"

Why this works: 90% of people walk in, ask "Do you have jobs?", and leave. You show up ready NOW with boots and ID. Dispatchers send ready people out first.

2. What to Bring (Don't Get Sent Home)

90% of people get sent home for missing ONE item. Bring ALL of these:

- [] **2 forms of ID** - driver's license + Social Security card (or birth certificate)
- [] **Steel toe boots - REQUIRED.** You WILL be sent home without them. (~\$29: <https://www.amazon.com/dp/B0F4MG6SC9?tag=elpaso0start-20>)
- [] **Work gloves - REQUIRED** for warehouse and moving jobs.

(<https://www.amazon.com/s?k=work+gloves&tag=elpaso0start-20>)

- [] Water bottle (32 oz) + lunch - it's an 8-10 hour shift
- [] Phone charger + phone with the PeopleReady and Labor Ready apps installed
- [] Work clothes: jeans, t-shirt - no shorts, no sandals
- [] Small backpack

Total cost: boots + gloves ~ \$41. Pays for itself on the first day (a \$120 day).

3. Daily Pay vs. Weekly Pay - The Strategy

Daily pay (cash TODAY):

- PeopleReady - paid same day via app or check (by 6 PM)
- Labor Ready - same-day check or direct deposit next day
- Moving companies - \$150-\$200 cash same day + tips
- Some cleaning companies pay cash daily

Weekly pay (higher rate, but you wait):

- Elwood Staffing - weekly on Friday, \$17-\$21/hr + overtime
- Snelling - weekly, \$16-\$20/hr
- Warehouse direct hire - weekly, \$17-\$22/hr

The play: Work PeopleReady or Labor Ready Monday-Thursday for daily cash, then start Elwood on Friday for the higher weekly rate next week. Best of both.

4. The 0Start Formula - Get Dispatched 3x Faster

- Be there at **5:30 AM, not 8 AM**. The first 10 people get jobs. At 8 AM there's nothing left.
- Apply to **3 agencies the same morning**: PeopleReady at 6 AM, Labor Ready at 7 AM, Elwood online. Triples your chances.
- **Wear work clothes**. You might go straight to a job site.
- **Bring everything on the checklist**. 90% get sent home for missing boots.
- **Say the script word-for-word**.

If you don't get dispatched today: go back tomorrow at 5:30 AM. Ask what time they dispatch - some at 5:30, some at 6. Show up early 3 days in a row. They remember reliable people.
